The following is an examiner's statement of reasons for allowance: the claims are allowable because the prior art of record fails to disclose or teach the recited air conditioning unit which is placed at a front portion of the right side of the cab, and which is fitted into an opening that penetrates through a right side wall of the cab (claims 1, 10, and 17), or the vent hole through which outside air is introduced into the air-conditioning unit at an upper region of the right wall of the cab above an external cover for covering tanks of the vehicle (claim 28).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
